FACIALS

CUSTOMIZED FACIAL (60 MINUTES) \$80

This advanced signature treatment targets fine lines, wrinkles, congested skin, rosacea and hyperpigmentation. It begins with a deep cleansing and gentle exfoliation followed by extractions. Your skin is infused with serums and antioxidants as it softens the skin appearance of large pores and improves skin texture. LED light therapy encourages tissue growth and stimulates collagen.

TEEN FACIAL (30 MINUTES) \$55

A great introduction to skincare, this facial will educate and introduce proper skin hygiene to our teens. Including high frequency treatment and healing mask.

MEN'S BALANCING FACIAL \$80

Hot towels, a deep cleansing, hydrating and relaxing facial that treats irritated skin from the elements and shaving. Massage of the face, neck and scalp completes the treatment for the ultimate relaxation.

BACK FACIAL (30 MINUTES) \$55

Treat this often neglected but exposed skin to a deep cleanse, exfoliation and hydration.

LED LIGHT THERAPY FACIAL (90 MIN TREATMENT) \$145

The ultimate facial with a light therapy mask and series of infusions of serums, along with a 30 minute Red Light LED session which reduces fine lines, promotes collagen stimulation, reduces inflammation. Helps with joint pain too, (can be placed over other portions of the body as well during service).

NANO NEEDLING FACIAL (90 MIN TREATMENT) \$160

Very Similar to Micro Needling

Nano needling is a non-invasive skin treatment delivery system designed to rejuvenate your skin and treat common issues like lack of tone, uneven texture, acne, excessive pigmentation, scarring, loss of elasticity. There is no pain, inflammation, bleeding or discomfort.

DERMAPLANNING FACIAL \$145

A customized facial with dermaplanning, which is a non-invasive, deep exfoliation and removes peach fuzz and unwanted hair (does not grow back thicker).

NECK FACIAL \$90

A neck and decollete refining masque that kickstarts treatment results and activates the treatment experience to help combat neck neglect. Specifically tailored to address the needs of neck skin compromised by fine lines, wrinkles, hyperpigmentation and sagging.

PEELS

A refreshingly new concept of peeling, formulated with the most progressive technology available that also minimizes downtime while still attaining exceptional results

PRO POWER PEEL

(\$99 1 Session)
(\$270 3 Sessions)

This rejuvenating peel hydrates, brightens and enhances luminosity. It fights the visible effects of age to minimize fine lines and wrinkles, minimizes the appearance of advanced signs of aging, targets blemishes while visibly diminishing post-inflammatory hyper-pigmentation and helps soothe the skin to restore its natural pH.
